

A101-Classic PC

# Industrial MiniPC

Fanless motherboard, Wall Mountable

Intel Celeron  
/13/15/17 CPU

4G/8G/16G RAM  
DDR 3/DDR4 optional

64G SSD,128/256G  
SSD,500G HDD

# Product Parameters

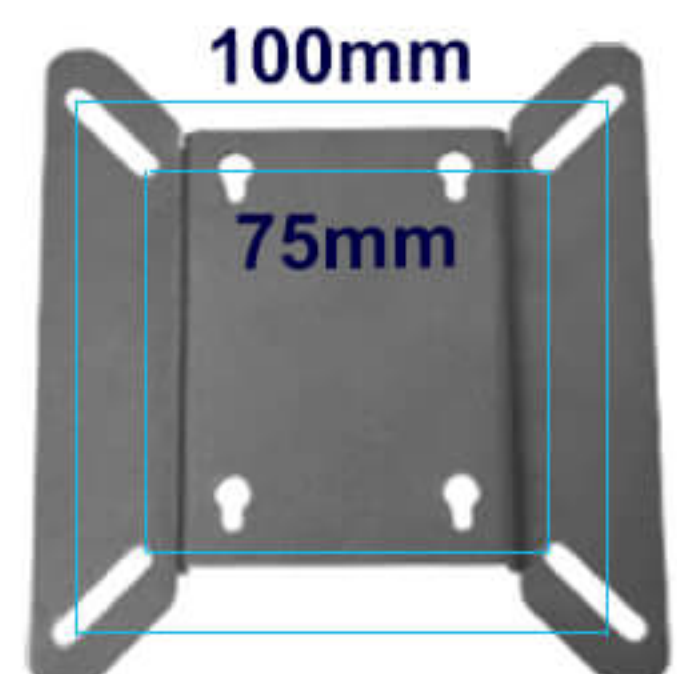

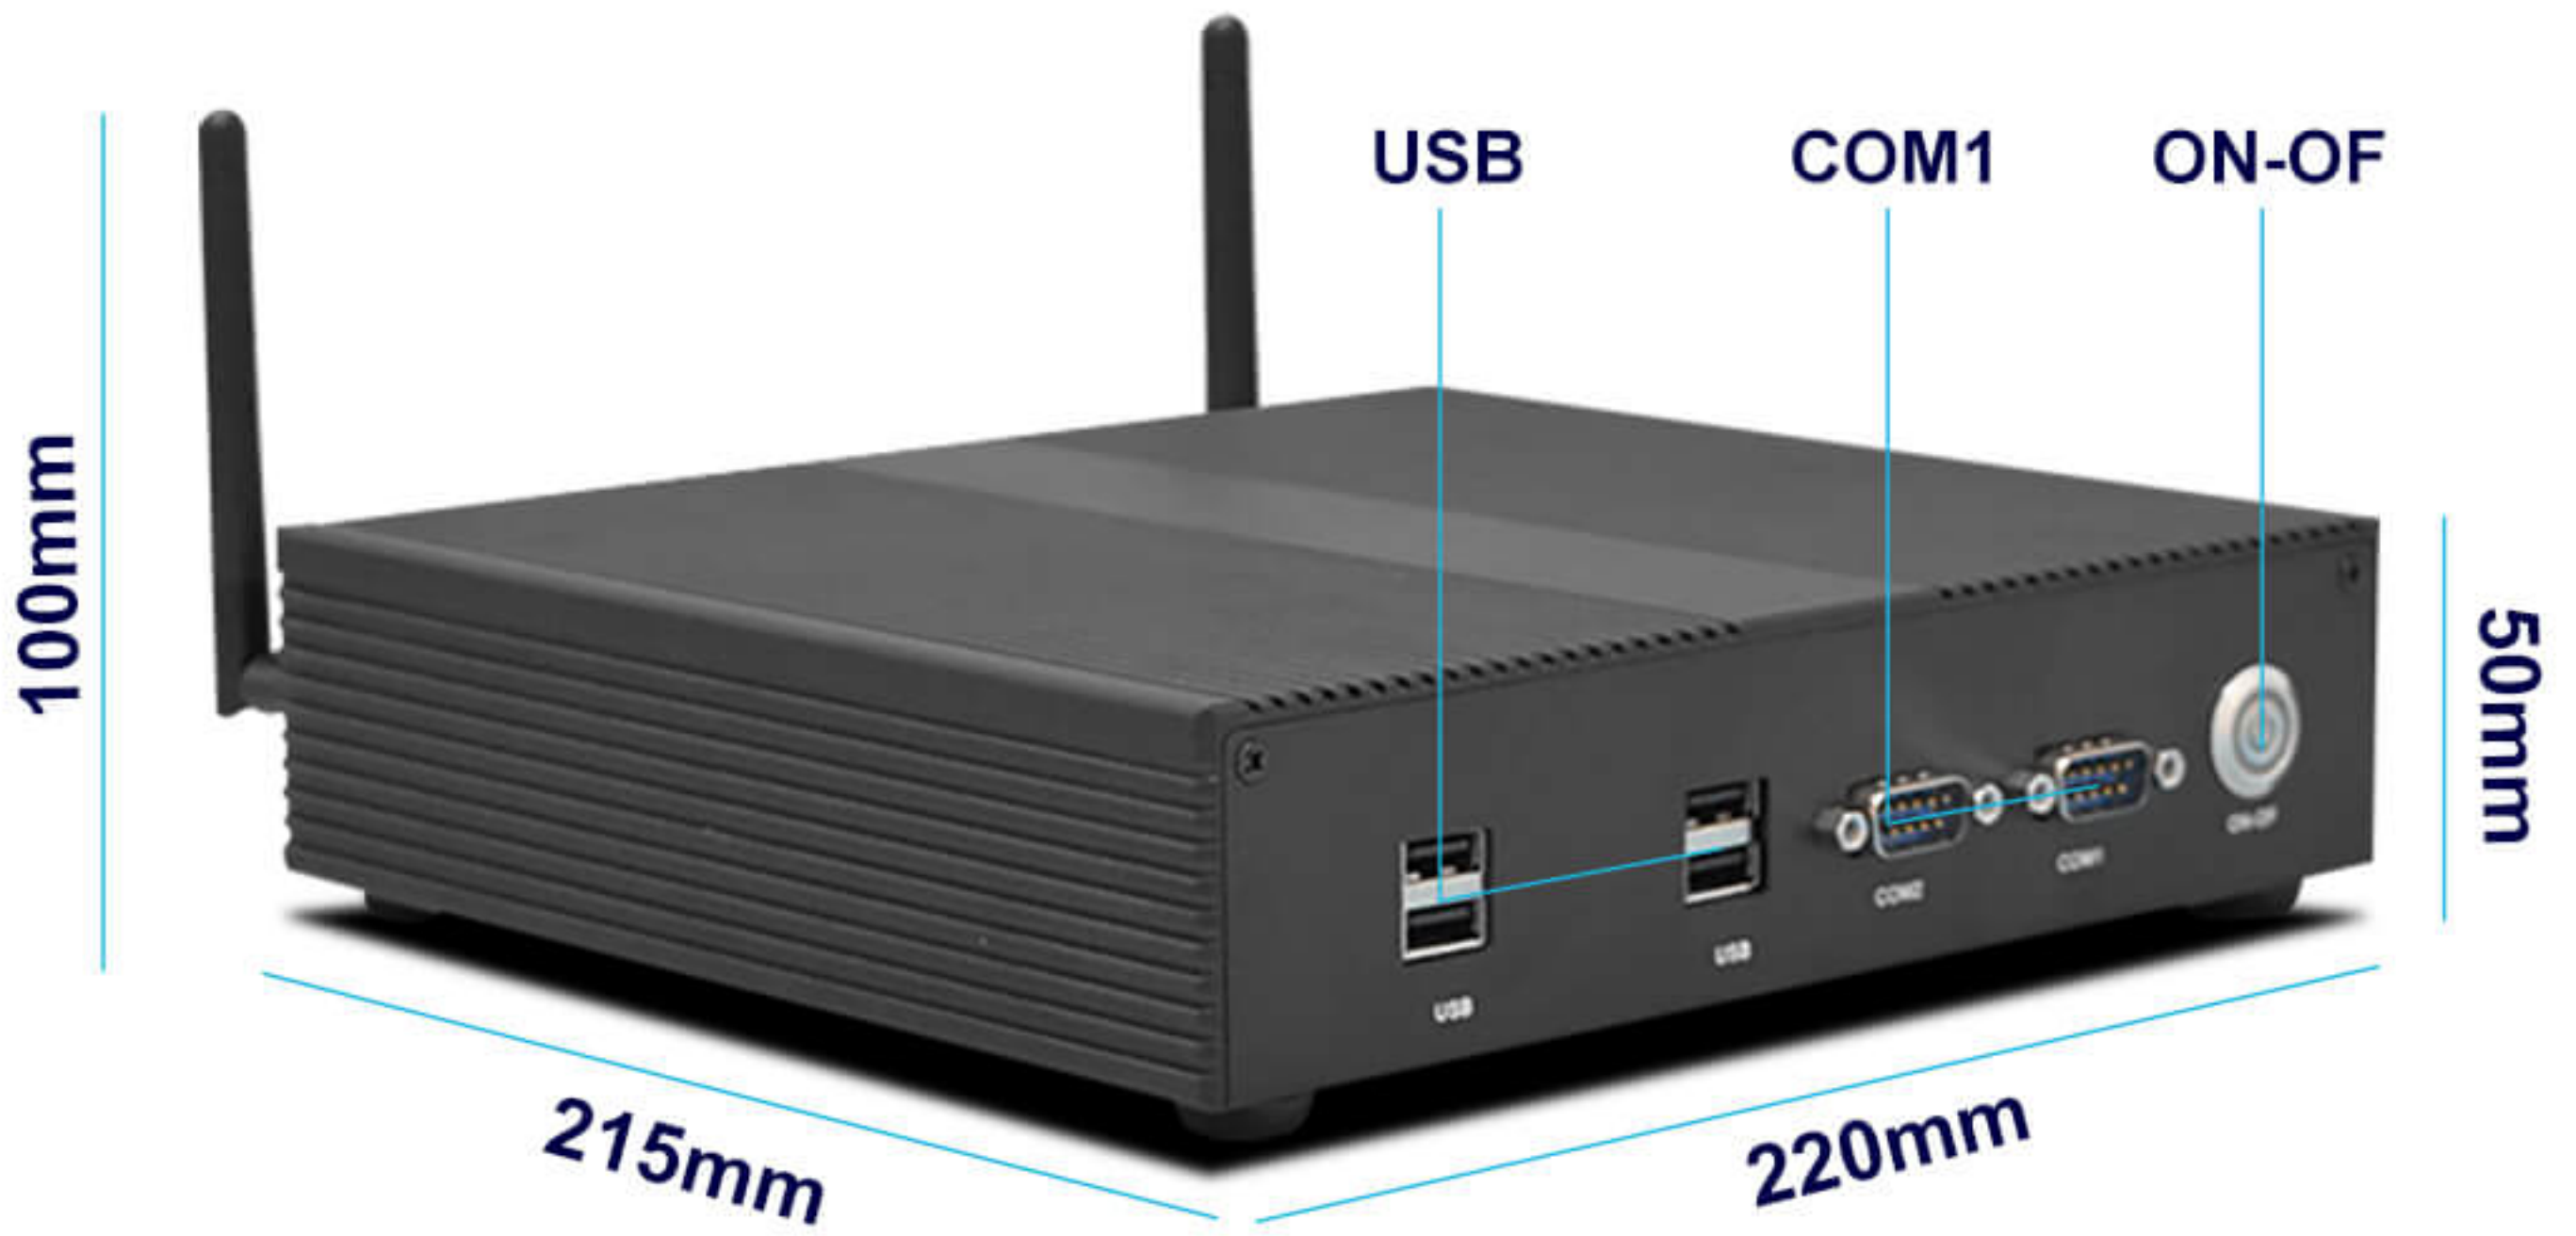

Taixun Electronic

---

<b>Product model</b>	A101
<b>Product color</b>	Black (customizable color)
<b>Material quality</b>	aluminium alloy case
<b>CPU</b>	Intel Celeron J4125 Quad core 2.0GHz
<b>Memory</b>	DDR4 4GB
<b>Hard disk</b>	Msata 64GB SSD
<b>Front panel I/O ports</b>	USB2.0*4 / COM*2 / ON-OFF
<b>Rear board I/O ports</b>	DC-IN*1 / HDMI*1 / VGA*1 / USB2.0*2 / RJ45*1 / USB3.0*2 MIC-IN*1 / LINE-OUT*1 / DC-OUT*2 / COM*4
<b>Expansion Slots</b>	Supports 1 MINI PCIE slot
<b>Work temperature</b>	0 ° C to+50 ° C (commercial HDD), -20 ° C to+50 ° C (industrial SSD), surface air flow
<b>Working humidity</b>	5% to 95% non condensing state
<b>Safety certification</b>	CE、CCC、FCC ClassA、ROHS
<b>Total body weight</b>	2.5KG
<b>Packaging volume</b>	30*30*14CM

# Product Details

Make it clear at a glance

# Detail perception

# Small yet extraordinary

Metal shell, smooth to the touch

Rich interfaces with more possibilities

## Quality of large factories

After disassembly

# Intel Celeron J4125

## More **powerful**

Powerful core support, effortless in multitasking

---

**10**

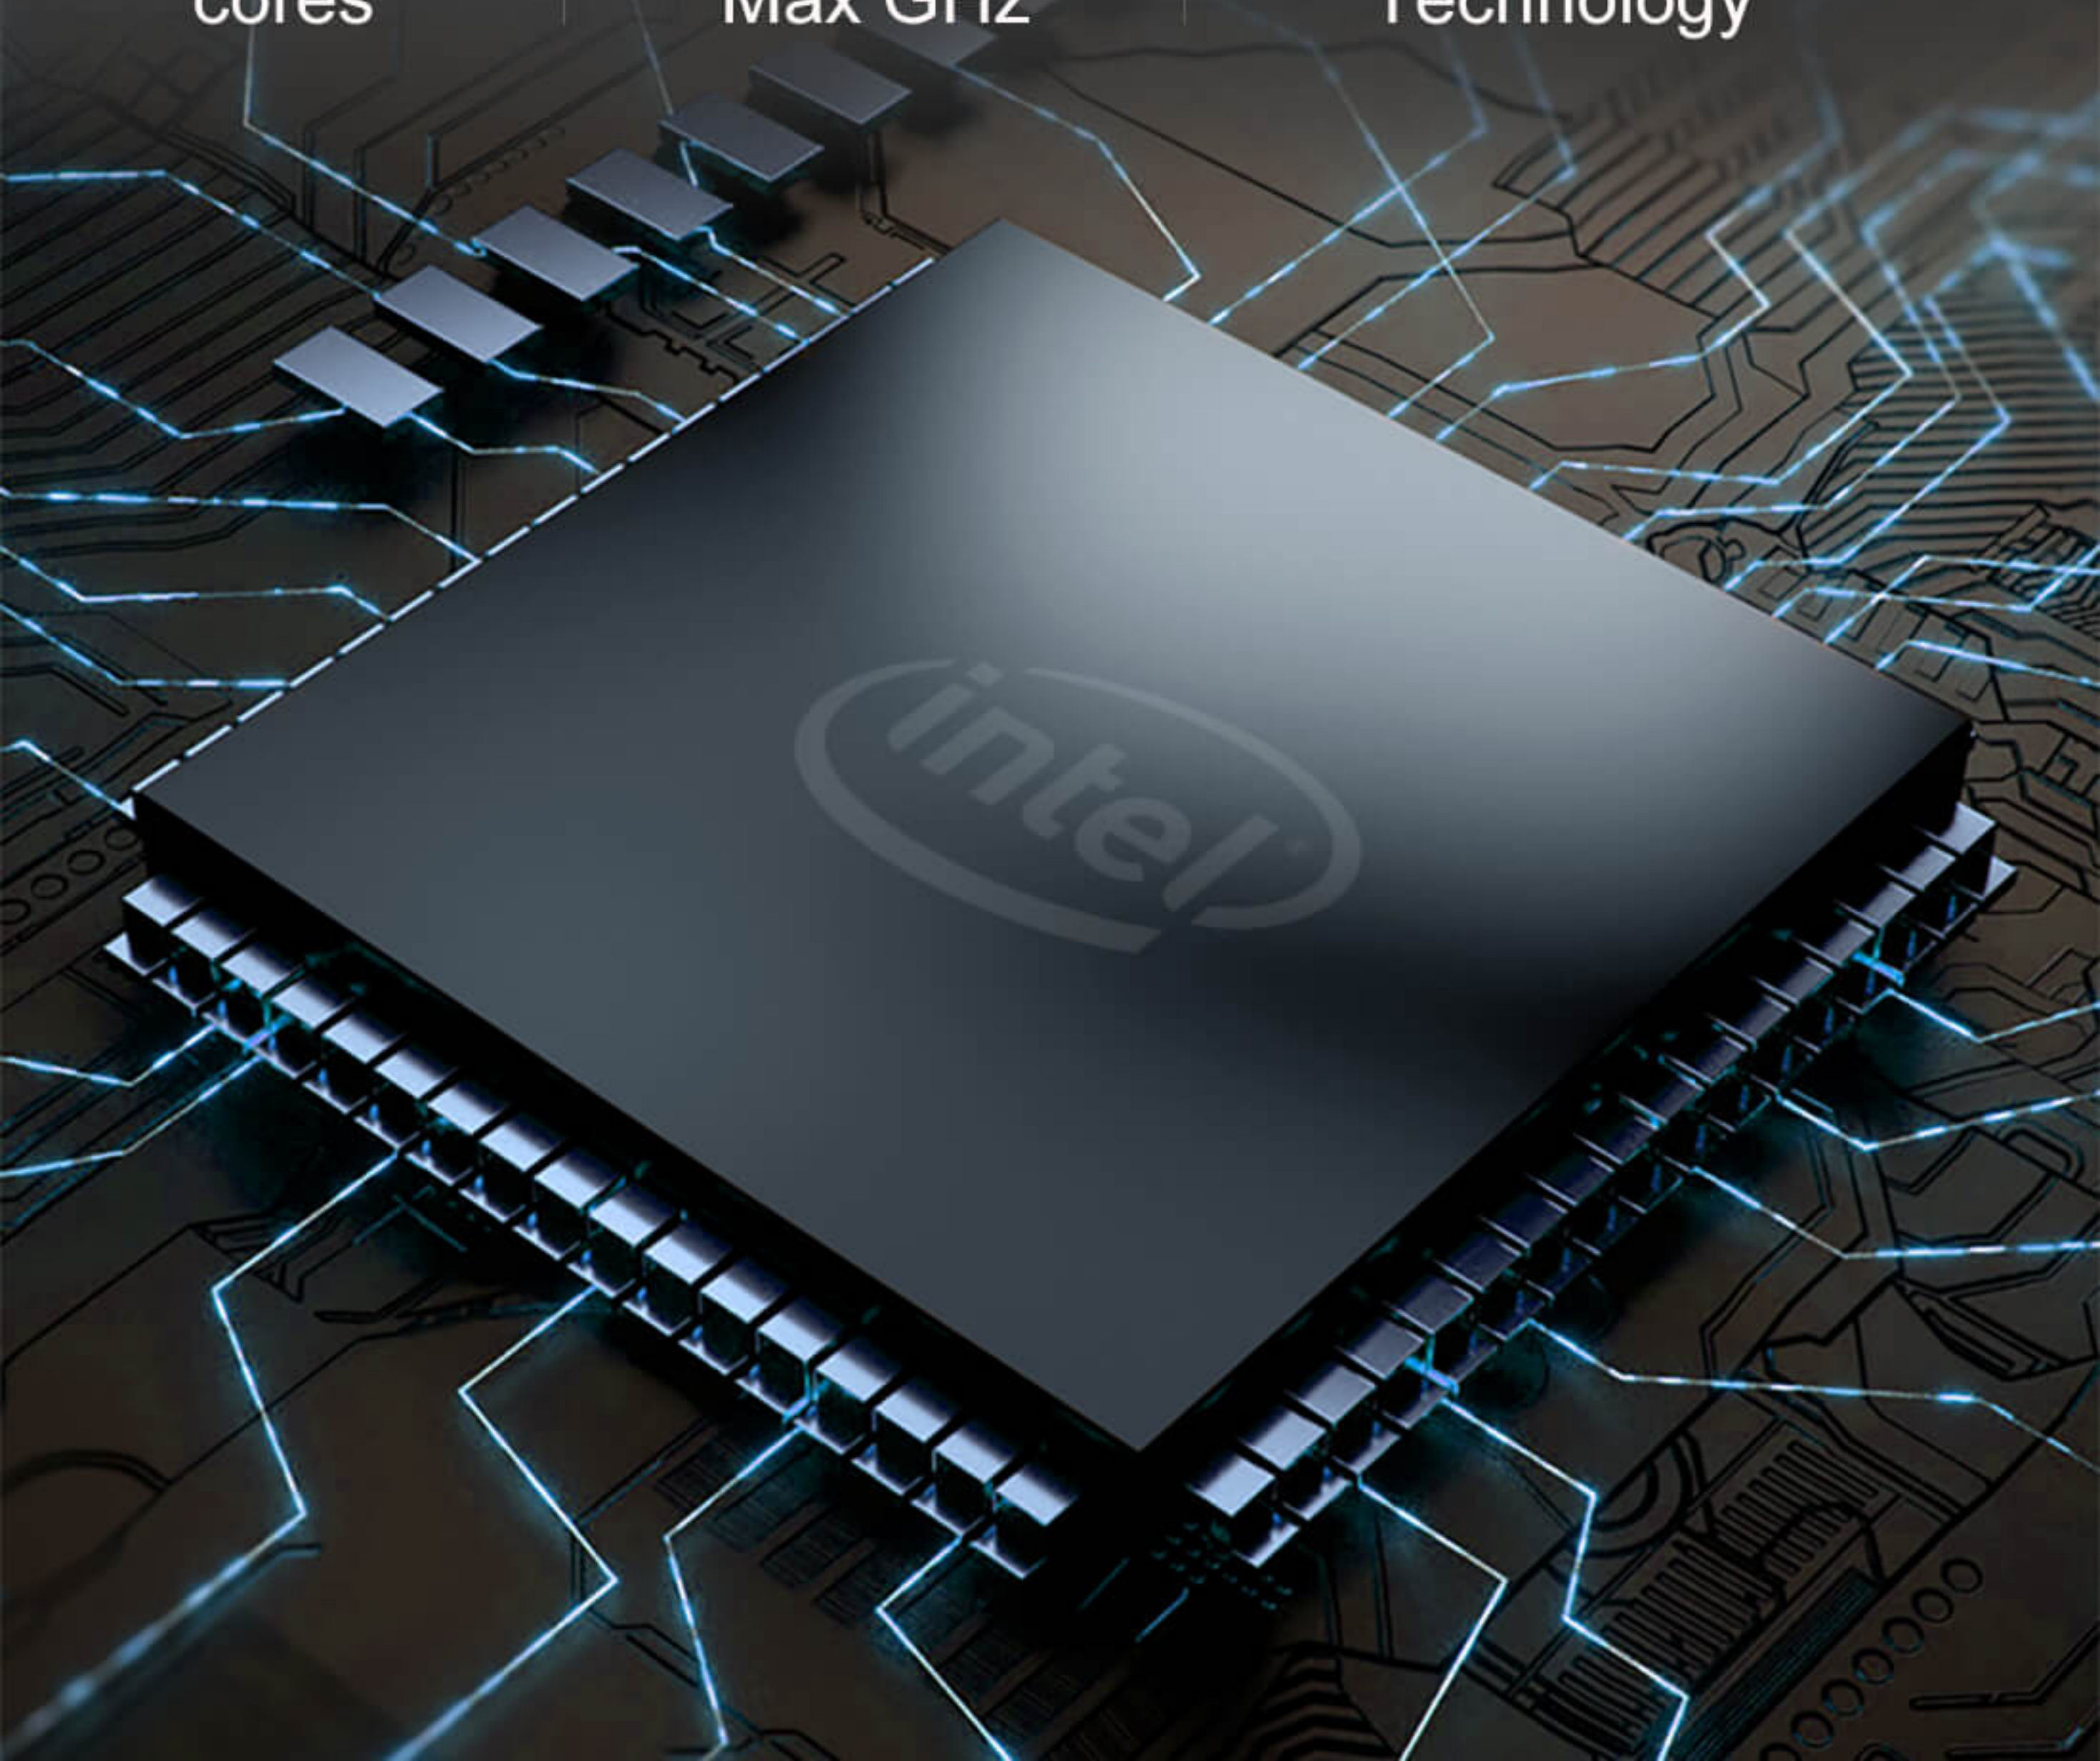

cores

**2.7**

Max GHz

**14**nm

Technology

# Wi-Fi6E

## Enjoy Faster Speed

wifi6 and 2.5Gbps Lan make everything smoother whenever watching video or surfing

Bluetooth 5.2

2.4 / 5G

Full firepower

High speed dual band WiFi

Download speed

**20.3**MB/S

# Application Scenario

## **Convenient** and fast

Meet your needs anytime, anywhere

---

Industrial equipment

Automation equipment

Monitor system

Medical equipment

Intelligent robot

Vending machine machine

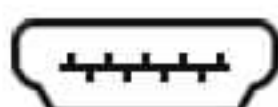

# HD interface

# Paired with any monitor

Exquisite style brings every image to life

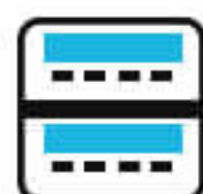

DC-IN

HDMI

VGA

COM6

# Shell heat dissipation

No fan cooling **0 noise**

Quiet heat  
dissipation

Long  
service life

Efficient and  
stable

# Wall mounted installation

## More convenient

---

Fix it to the wall first

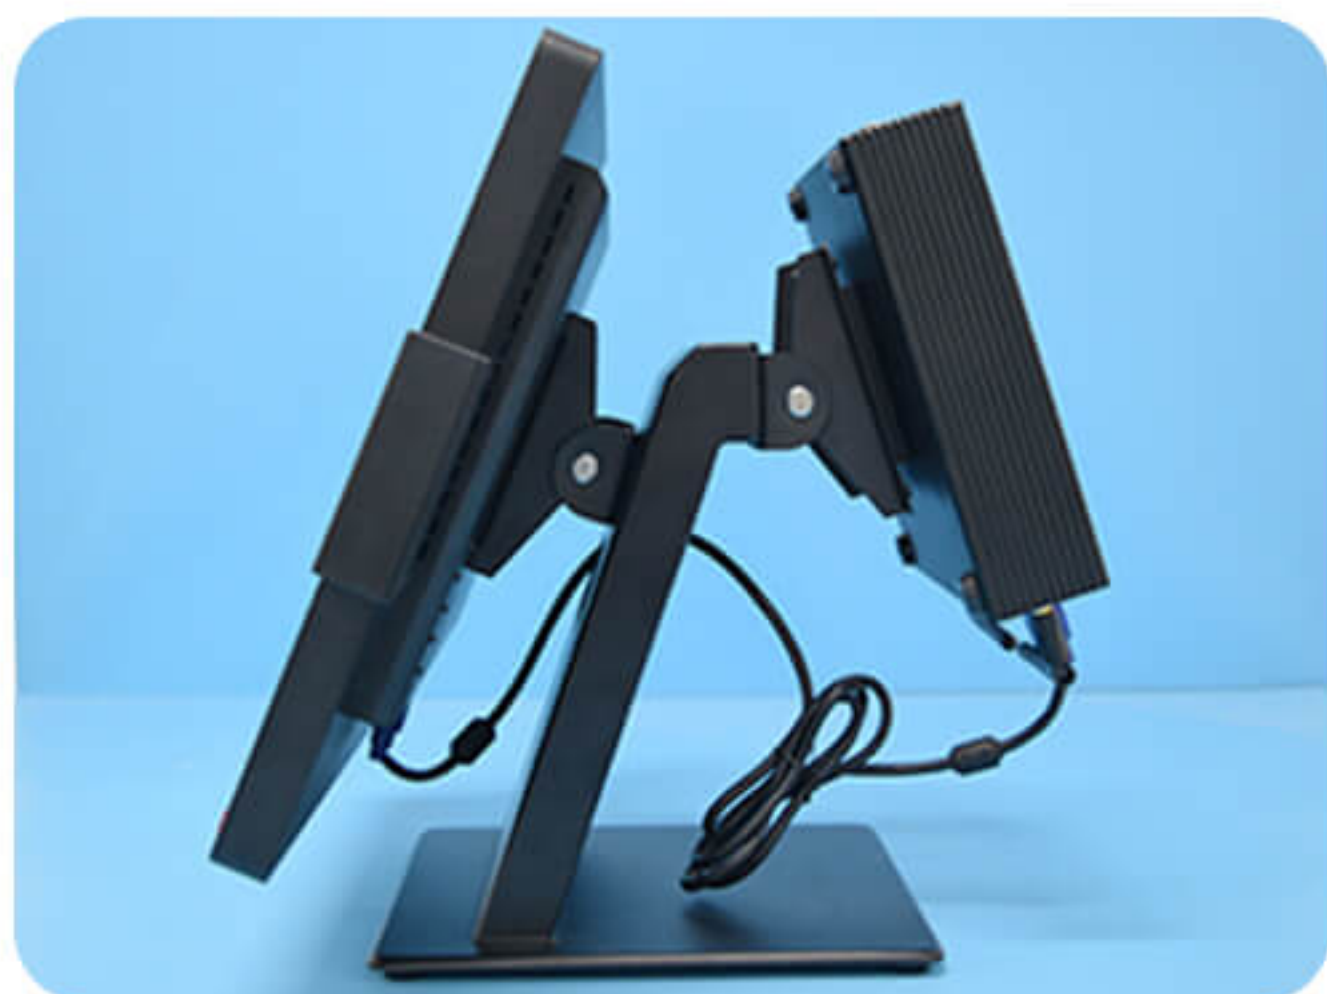

Align and hang on the wall

Paired with our monitor  
**More** possibilities

---

# Compatible with **multiple** systems

Default pre installed trial version of Windows system, supporting  
multiple systems/virtualization

Windows 7

Windows 10

Linux

**Note: The default pre installed trial version of Windows system**
